I like that though
That's what's up?

Some people like the summer when it's hot
Some people like the winter cold
Some people speak their minds when they wanna
And some other people ain't so bold

Whatever it is that you do
You should do you should so with your head held high
So when you're doing you're thing it's 'cause you
wanna
And they never can ask you why

I say do what u do say what you say
Mean what you mean when you say
'Cause it's your life, gotta make your own rules
And you gotta do it, do it your own way

I say do what u do say what you say
Mean what you mean when you say
'Cause it's your life, gotta make your own rules
And you gotta do it, do it your own way

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh, oh

Some like it easy when others they lite it rough
But ain't nobody gotta like it but you
Girl, boy, boy, girl, girl, girl, boy, boy
Whatever you should do what you do

How can they tell you that you could or should?
Would or wouldn't, well ask 'em can they walk in your
shoes
'Cause it's you life and you do what you wanna
And remember baby it's all about you

I say do what u do say what you say
Mean what you mean when you say

'Cause it's your life gotta make your own rules
And you gotta do it, do it your own way

I say do what u do say what you say
Mean what you mean when you say
'Cause it's your life gotta make your own rules
And you gotta do it, do it your own way, yeah

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh, oh

So if it's on your mind then you should speak your
piece
And say what'cha say
And if you want it done then you should get it done
And do it your way

So if it's on your mind then you should speak your
piece
And say what'cha say
And if you want it done then you should get it done
And do it your way

I say do what u do say what you say
Mean what you mean when you say
'Cause it's your life, gotta make your own rules
And you gotta do it, do it your own way

I say do what u do say what you say
Mean what you mean when you say
'Cause it's your life, gotta make your own rules
And you gotta do it, do it your own way

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh, oh

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh, oh

I say do what u do say what you say
Mean what you mean when you say
'Cause it's your life, gotta make your own rules
And you gotta do it, do it your own way

I say do what u do say what you say

Mean what you mean when you say
'Cause it's your life, gotta make your own rules
And you gotta do it, do it your own way
