Never hide
I can't see your face through this mask.
My looking glass dimmed
And the world is in mess... ..
You break into my room
Tonight Jupiter will rise.
All seals are broken
I see galaxy in your eyes.

.. ..
Guide me through the darkness
I won't fall down anymore
Guide me through the darkness
I failed to act like an attention whore.

.. ..
A creature called Hate
Lived in my head
I was so confused
And I couldn't refuse
Emptiness rules
At the end of the road.

.. ..
You break into my room
Tonight Jupiter will rise.
All seals are broken
I see galaxy in your eyes...

Guide me through the darkness
I won't fall down anymore
Guide me through the darkness
I failed to act like an attention whore... ..

Self-proud politicians
Maniacs, attention whores
Wasted time,
Nothing's left
At the end of the road
Self-proud politicians
Maniacs, attention whores
Wasted time,
Nothing's left.. ..

Guide me through the darkness

I won't fall down anymore
Guide me through the darkness
I failed to act like an attention whore.
