Lizard people
They drive their own vehicles
They're scanning
My mind inside
They can't decide
What they really want for their lives.
Lizard people
I hear them breathing behind
I feel I'm loosing my mind
I'm empty sometimes so predict me my future.

Lizard people
Envy my freedom
I'm separated from you
Lizard people
Envy my freedom
Cause my nature is true.

Lizard people
Is it somethin' real
Or I wanna escape
Change myself and not
Stuck in your porn love
Lizard people
They're loosing their time
They're spoiling my life
Artificial glamour's

Blowing out my mind

Lizard people
Envy my freedom
I'm separated from you
Lizard people
Envy my freedom
Cause my nature is true

Silent words
For the nasty world
Silent words
For the nasty world

No
I'm loosing my soul
Nobody knows
That I'm loosing my soul

Lizard people
Envy my freedom
I'm separated from you
Lizard people
Envy my freedom
Cause my nature is true.
