"Monday Lover"

Pure sounds
And whispers of the rain
Broken glass
Reminds me of the pain
I will disappear another day
Stop that noise
And leave me where I lay.

CHORUS
Precious feelings
Dirty ceiling
Precious feelings
Dirty ceiling

Monday lover
Monday lover
Monday lover
Monday lover

Pure sounds
And whispers of the rain
Broken glass
Reminds me of the pain
I will disappear another day
Stop that noise
And leave me where I lay.

CHORUS
Precious feelings
Dirty ceiling
Precious feelings
Dirty ceiling

Precious feelings
Dirty ceiling
Precious feelings
Dirty ceiling
