How long, baby how long, Has that evening train been
gone? How long, how how long, baby how long? Went
to the station, didn't see no train.
Down in my heart, I have an aching pain.
How long, how how long, baby how long? I feel
disgusted, I feel so bad
Thinking 'bout the good time that I once have had.
How long, how how long, baby how long? I could see
the green grass growing on the hill; I ain't seen no
greenback on a dollar bill.
How long, how how long, baby how long? You're gonna
be sorry, you'll feel so blue.
When you want me, baby, I declare I won't want you.
How long, how how long, baby how long? Don't have no
money for to ride the train.
I would ride the rods, baby, to be with you again.
How long, how how long, baby how long? How long,
baby how long
Must I keep my, my watch in pawn? How long, how how
long, baby how long?
