Pinch me I'm dreaming,  
This isn't real,  
I can't have come so far this soon

It's all just a nightmare  
Or so it seems  
We don't have long

On our way into OBLIVION

Chorus:  
I don't know why I sit and watch the world as my life  
passes by  
I'm standing open-mouthed and I've forgone the urge  
to even try  
All motivation lost, no cares at all but at what cost
