Gummed up, brain dead and can't decide
You can't pray enough, you can't hide
You can be cool or you can cry
Do it wrong, not it all or do it right

No one owes you, no one's to blame
Save for bad genes or DNA
Ask your conscience the why and how
Do it then, do it when but do it now

What's up sweet cakes? Who's hip anyway?
Earthgirls are easy
What you gonna do lil' buckaroo?
(Hey you, you better ask her nice)
All you gotta do, happy fool, is ask your mom

No we all can't be Superfly
You can pretend or you can try
Move ahead
Lay down dead or slip on by

When the truth seems so farway
Buddha loves you and Jesus saves
You need answers for your dismay

Ask yourself
Ask your mom
Ask DNA

What's up sweet cakes? Who's hip anyway?
Earthgirls are easy
What you gonna do lil' buckaroo?
(Hey you, you better ask her nice)
All you gotta do, happy fool, is ask your mom

Kamakamakama, ask your mama
Super groover mama Dahli Lama
Kamakamakama, ask your mama
Super groover mama Dahli Lama

What's up sweet cakes? Who's hip anyway?
Earthgirls are easy

What you gonna do lil' buckaroo?
Come on

What's up sweet cakes? Who's hip anyway?
Earthgirls are easy
What you gonna do lil' buckaroo?
(Hey you, you better ask her nice)
All you gotta do, happy fool, is ask your mom
