Driving I gotta get to you  
Racing to beat that sunrise  
Craving me all wanna touch  
This hunger inside can't fight it

I'm driving through this lonely hour  
Just to get to you

\*Cause I  
I don't wanna be alone tonight  
Maybe that's why  
I just wanna see you  
I just gotta see you tonight

Baby you definitely got me  
Got me just where you want me  
I'm not denying that I want your love  
More than anything I ever knew

I'm driving through this lonely hour  
Just to get to you

\*Cause I  
I don't wanna be alone tonight  
Maybe that's why  
Nothing gonna stop me  
Maybe tonight I don't wanna be alone right now  
Maybe that's why nothing's gonna stop me

Cause I just wanna see you  
I just got to see you tonight

I'm driving through this lonely hour  
Just to get to you

Cause I  
I don't wanna be alone tonight  
Maybe that's why  
Nothing gonna stop me  
Maybe tonight I don't wanna be alone right now  
Maybe that's why nothing's gonna stop me

Cause I just wanna see you  
I just got to see you tonight
