tell me why  
you act this way  
what did I do or say  
is it what you expected I was going to do  
you didn't leave me 'cause you knew I'd leave you  
who do you think you are  
obviously it ended up this way again  
you made me loose just so you could win  
who do you think I am  
rage inside of me  
'cause blind eyes don't see

taking my sight  
by tears I do bleed  
freezing cold soul  
dark feelings you own  
suck the love out of me  
like a vicious black hole  
now do you see what you're doing to me  
can you even imagine what the hell I feel  
why are you doing this  
I'm wondering if this might be a sick game  
if it's not you then who the fuck is to blame  
I can't take this shit no more
