i've been waiting paitently to get this oppurtunity
brick by brick .. stone by stone .. build this fucking path
we're on

Liar... choke yourself
You won't... bury me
Feel it... i'm alive
(I'm alive)
no one ...ever sees
the other ...side of me
someday ...the stars will paint
my face ... onto the sky.
(onto the sky)

still i know that when i face you words won't come out
right
i've pictured this in my mind .. million fucking times

Liar... choke yourself
You won't... bury me
Feel it... i'm alive
(I'm alive)
no one ...ever sees
the other ...side of me
someday ...the stars will paint

my face ... onto the sky.
(onto the sky)

i will set this world on fire just to make you bleed
i will chase you forever .. you will get no sleep

brick by brick stone by stone will destroy the path we're
on
to make you suffer for it all my last purpose before i'm
gone

Liar... choke yourself
You won't... bury me
Feel it... i'm alive
(I'm alive)
no one ...ever sees

the other ...side of me
someday ...the stars will paint
my face ... onto the sky.
(onto the sky)

i will set this world on fire just to make you bleed
i will chase you forever .. you wont get no sleep

i'll be never looking back i have no regrets
this is the path i've chosen to go and i will bring this to
an end
