I know you wanna ride in my 2 door. You and your culo

Already on the dance floor. Come on baby let's go.

Wait outside I'll be there in a hot sec.

We can just chill or we can hit it up with hot sex.

That's how I do it girl. I wanna free your mind.

With a little bit of bump and grind. With a little bit of
bump and grind.

It's just me and you having a good time.

I want to touch your soul so that's beyond your spine.

Look at me in my eyes and tell me what you see.

I better that all you'll see, is a straight freak.

You should already know that I'm a please you girl.

Take you to outer space into another world.

Chorus

10, 9, 8, 7, 6, 5, 4, 3, 2, 1

So holla at me when you ready for that lift off

Hit me on my shoulder when you ready for that lift off

10, 9, 8, 7, 6, 5, 4, 3, 2, 1

So holla at me when you ready for that lift off

Hit me on my shoulder when you ready for that lift off

You saying that you're wild. Well baby girl I'm wilder.

You say you wanna moan, well I'm a make you holla.

While we in the shower, temperature is rising.

You got me standing tall, just like the Eiffel Tower.

I'm fully focused on putting it on you.

So baby lay your body down so we can do what we do.

I want to have you dripping wet to the point you're
flooding up the room.
And we can take it slow as if we're listening to Screw.

Chorus

10, 9, 8, 7, 6, 5, 4, 3, 2, 1

So holla at me when you ready for that lift off

Hit me on my shoulder when you ready for that lift off

10, 9, 8, 7, 6, 5, 4, 3, 2, 1

So holla at me when you ready for that lift off

Hit me on my shoulder when you ready for that lift off

Durty Kash:

Let me tell you something girl, I'm a treat that body
right today

This flight takes off at 5, 4, 3, 2, 1. I'm a take you outer
space

All the things I'm gonna do to you. Your body would've
never know

Ease your mind I'm a take it slow. Touch and tap like a
IPHONE

But girl I'm far from rude I just think it's time for lift off

Close your eyes and countdown. Be ready to sweat
your makeup off

I put it down. Just lay it down on my bed girl don't make
a sound

Don't play around. If this was a show you know that I
would shut it down

Don't think about your ex cause he couldn't handle you

If love is a lie then girl you should never tell me the
truth

But since you're a special girl welcome to this special
world

But since I'm Durty Kash it's time to get filthy girl

Ohhh! Baby girl let me know if the sex is out of world,
out of this world

You got me feeling like I can't get this feeling for no
other girl, girl, girl, girl, girl, girl

I want to take you to the moon so we can see the stars
and jump into my space ship so we can visit mars
and ride around the galaxy. I'm all inside your space
but it's all inside your mind cause you never left my
place

Chorus

10, 9, 8, 7, 6, 5, 4, 3, 2, 1

So holla at me when you ready for that lift off

Hit me on my shoulder when you ready for that lift off

10, 9, 8, 7, 6, 5, 4, 3, 2, 1

So holla at me when you ready for that lift off

Hit me on my shoulder when you ready for that lift off
