All you need to know  
is you're a part of me  
You're a highway sign  
Below a blue sky

All you need to know  
is that a fantasy  
Can't love you the way  
The way that I do

If you go make it fast  
'Cause I can't wait here  
Wait here a long time  
If you go make it last  
Make it long  
Before you forget me

All I need to know  
is the inside of me  
it belongs to the world  
the world you live

And I know I'm not all  
You wish I could be  
But conditions don't belong  
To real love

If you go make it fast  
'Cause I can't wait here  
Wait here a long time  
If you go make it last  
Make it long  
Before you forget me

Hoping gets tiring  
In the long run  
Let me go baby - do it fast now  
I'll be here waiting

If you go make it fast  
'Cause I can't wait here  
Wait here a long time

If you go make it last  
Make it long  
Before you forget me
