It's a small world we live in
I met a blind girl
And started believing
She wore a red hat
And a pair of brown shoes
An umbrella
To keep in her truth

Oh it's easy to fall in love
And it never rains when
Love's the umbrella
Oh love is the umbrella

I'd walked a long mile
When she gave me direction
She smiled a sly smile
So full of affection
It felt like sunshine
Was coming out from her
Deep in November
She taught me of summer

Oh it's easy to fall in love
And it never rains when
Love's the umbrella
Oh, love is my umbrella

We need no shiny floors
We dance the great outdoors

It's a small world that we live in
I met a blind girl
And started believing
She wore a red hat
And a pair of brown shoes
An umbrella
to keep in her truth

Oh it's easy to fall in love
And it never rains when
Love's the umbrella
Oh, love is my umbrella
