I gotta be good member
Of society
Be a healthy branch
On the family tree
I get out of bed
Get shaved and washed up nice
Don't ask questions
The answer are all lies

What I am
Is not what I wanted in the first place
It makes no sense to me anymore

I'm going crazy one day at a time
The more I lose it the more I find
No illusions can keep me blind
I'm going crazy one day at a time

This reality
Is way too real for me
I'm locked inside a room
And somehow I lost the key
Way to many lines
In the Book of Rules
And each and every one
Was written by a fool

And I am one
Cause I followed them in the first place
It makes no sense to me anymore

I'm going crazy one day at a time
The more I lose the more I find
No illusions can keep me blind
I'm going crazy one day at a time
I'm going crazy one day at a time
I'm going crazy one day at a time
