I got it bad, you don't know how bad I got it  
You got it easy, you don't know when you've got it good  
It's getting harder, just keeping life and soul together  
I'm sick of fighting, even though I know I should

The cold is biting  
Through each and every nerve and fiber  
My broken spirit is frozen to the core  
I don't want to be here no more

Wouldn't it be good to be in your shoes  
Even if it was for just one day  
And wouldn't it be good  
If we could wish ourselves away

Wouldn't it be good to be on your side  
The grass is always greener over there  
And wouldn't it be good  
If we could live without a care

You must be joking, you don't know a thing about it  
You've got no problems, I'd stay right there if I were  
you  
I got it harder, you couldn't dream how hard I got it

Stay out of my shoes if you know what's good for you

The heat is stifling  
Burning me up from the inside  
The sweat is coming through each and every pore

I don't want to be here no more  
I don't want to be here no more  
I don't want to be here no more

Wouldn't it be good to be in your shoes  
Even if it was for just one day  
And wouldn't it be good  
If we could wish ourselves away

Wouldn't it be good to be on your side  
The grass is always greener over there

And wouldn't it be good  
If we could live without a care

I got it bad, you don't know how bad I got it  
You got it easy, you don't know when you've got it good  
It's getting harder, just keeping life and soul together  
I'm sick of fighting, even though I know I should
