

Kenlo Key "Say Yea"

Visit "[Say Yea](#)" on MotoLyrics.com

i promise partner i get honored like barack obama or a
dale lama ima boss paul castellano
clocking dollaz betta watch us cuz my squad the
hottest we cornering all the markets my targets a
larger profit
i got followers from chicago to guatamala to places
where the natives dont even drink the faucet water
collar poppin all the boppaz gonna holla often ..give me
respect or death failure is not an option
i dont write raps i just take my thoughts and jott em
ima be poppin like Pac and Poppa after my coffin
dropping
i got everybody from doctors to the ballers noddin
who get rich off that white boy like harry potters author
and i aint pausing stopping til this gwap in all our
pockets shutting down the mall to shop and all our
fukkn cars exotcic
rocking garments the price is like ya closet costing
skip a walk in closet my shits looking like a small
apartment
im on the rise for the cream i thank god he got us i got
a drive for my team like a soccer momma
Intavention all these labels bot to toss us offers if it ain
a million dollars "why we talkn?"
im Intavention crazy ..til my carcass dropping
you niggaz hating maybe cuz ur babymama jocking?
i only buss her cuz her knockaz is like Dolly Parton
wit my black Rubber ..Call it my Louis Farrakhandom
(Condom)
i hit she b barely walking
i terminate that chick like she Sarah Connor
in Chicago niggaz ending up in bodybags...betta go
take up a Karate class w Rihanna Ass

Im Kenlo Key niggaz checking and watching for
Heffers be jocking but..its expected the popping up
im whos next from Quebec to Checkalzavokia
Hottest up and coming got the street respect and im
popular
im all of that got these other artists all falling back
im talking Facts (fax) like that clerk that work at office
max

sorry to everybody who called me and i ain called em
back
All my focus goin towards me goin hard at Rap
yea..IM who these labels fucking look for
Rap on a level that make the devil say GOOD LORD
he speaking Flame..dont be thinking we the same
Strategic planning- believeing- succeeding be the aim
what it take you years to get ..it take me a week to gain
im bout my money, if that dont register..keep the
change. Kenlo
