Oooooo

Fly so high

Just let me fly my kite
into a starry night
I will make it glow in the dark
The birds will catch a fright

Just let me skip with the turtles
Make the sky turn people
I'll touch the stars and make them quake
Or shall I make them giggle?

Ha ha ha ha ha
ooooo
Ha ha ha ha ha
Ohhhhh I I I'm gonna be one of the stars
Because I know it's where I belong
I'll guide my little kite
And watch it fly on and on

Just let me hide my kite
From the stormy night
I will keep it safe and warm
And sing a lullaby

Because the flowers speak to me
When they're dancing happily
I'll paint a house with the rainbow
Or shall I surf the sea?

Ha ha ha ha ha
ooooo
Ha ha ha ha ha
Ohhhhh I I I'm gonna be one of the stars
Because I know it's where I belong
I'll guide my little kite
And watch it fly on and on

Ohhh my little kite
will bring better days
Wash away the rain

break out the sun rays
We can take this world
out of their haze
Figure out this
never-ending maze

Just let me fly my kite
into a starry night
I will make it glow in the dark
The birds will catch a
fright
