Here I go again this time,  
I'll lose my temper then my mind,  
These days are long, when I can't be anywhere but  
here

Chase me past the old school yard,  
Down the river through the banks where I was born  
But I don't care, coz nothing's fair when all I see is  
black

Oh I would run away, oh I would run away  
And I would change my name to feel myself again  
Oh I would runaway... if I could

Then I see your face in mine,  
You give me hope that I am still alive,  
But darkness comes, those creatures they can't save  
me from myself

Through the water I can tell  
I'm drowning in the love of someone else but here I am,  
Here I am, I'm still alone

Oh I would run away, oh I would run away  
And I would change my name to feel myself again  
Oh I would runaway... if I could

Oh I would run away, oh I would run away  
And I would change my name to feel myself again  
Oh I would runaway... if I could
