We've been getting money we were about child
Gutting niggers keeping now we take them by their
balls, balls, balls, balls, balls
I'm a ride this motherfucker till the wheels fall off
Yes I'm sitting shotgun with my fucking side out
I'm a balls, balls, balls, balls, balls, balls
When I woke up this morning I was thinking about
bowling
Now bought a new sale bone everybody call it, let's get
it
I want it like I own it, my star hear not this ain't my
opponent
And all these niggers trash, and I'm the new custodian
Are you kidding me, fucking nickelodeon
Take your main girl and we kick it like she know it
Bitch on the base, motherfucking counting
24 zone the wide, I'm high, I'm by the bar new what just
about time
Just for a lot are charging niggers fire
I hope you're about yours cause I'm about mine
And I'm about flying, and I'm about trying
Gangster real, my gangster's
Gangsters everywhere they even standing in the crowd
Nigger follow me he gonna be land on the ground
Pin a silly clip, clean a nigger out
Let that bitch rip while he dancing by the couch
Is my cologne, you know what we own
We will never, they will never, yeah

We've been getting money we were about child
Gutting niggers keeping now we take them by their
balls, balls, balls, balls, balls
I'm a ride this motherfucker till the wheels fall off
Yes I'm sitting shotgun with my fucking side out
I'm a balls, balls, balls, balls, balls, balls

4 bottles of that Remi I'm trying to get high
... triple cup, got me sleep walking, whatever see me
grind, stunt, go hard
Monday... Sunday, I'm a go hard,
Every car my fans scream, score, ball, ball, ball, ball,

go hard

I'm drunken than a motherfucker standing on the sofa
Bottles in the sky you can tell that we're high
I see them giving me the evil eye
Four words for you pussy niggers come try

We've been getting money we were about child
Gutting niggers keeping now we take them by their
balls, balls, balls, balls, balls
I'm a ride this motherfucker till the wheels fall off
Yes I'm sitting shotgun with my fucking side out
I'm a balls, balls, balls, balls, balls, balls

... balling, going hard,.. balling going hard, ball, ball,
ball, ball, ball, ball, ball, ball
... balling, going hard,.. balling going hard, ball, ball,
ball, ball, ball, ball, ball, ball
Ball, ball, ball, ball, ball, ball, ball, ball, ball, ball.
