All I do is me, masturbation
I could make your girl wall, graduation
I'm known to make it rain, you do condensation
One nation under God full of frustration.
I pledge allegiance, leave you niggas extra bleeding
Black and white diamonds, charm look like a referee
Definitely, I bless the beat
After I bless the beat then it's rest in peace
That's my recipe
I'm 2 Chainz and I spell chainz with a z,
I go ham on any beat, your trap is on cetipede
That slow minds on G4, I'm about that bull like D. Rose
Easier then shootin freethrows, easier then wearin polo
Easier than a hoe at my show in the front row
I'm nonchalant that's yo debutante, yo girl need a
tummy tuck
My verses BG, that's short for bubble gut
I'm 2 Chainz, chains so
Big, you could play double dutch
Two blunts, together
Bitch, that's a double dutch.
