Hook:

The night is young  
(The night is young)  
Come and go with me  
(Come and go with me)  
Up in the sky  
(Up in the sky)  
Is where you wanna be.  
Don't bring me down, don't bring me down.  
Don't bring me down, don't bring me down.  
Don't bring me down, don't bring me down.

(Verse 1:)

What goes up must come down  
And if I stay down, then I don't come up  
Life a bitch, I got my had on the but,  
Foot on the clutch  
On my new wonder, smokin' a blunt.  
Tired of all sililaquez, service squeeze  
Still use a triple B for insominity  
And please, if bein' broke is your disease  
I took a test and passed and nigga I'm clean.  
Promethazine poured in the 2 liter  
Got my gorillas with me, and I'm the zookeeper  
See, you ain't seen it all until you've seen it all  
If life a movie you never know when it might pause.
