Every evening you will find him around our
neighborhood
It's the old dope peddler doing well by doing good

[Hook]

Started off with a OZ
End up riding fo' deep
Pull up to that club like muthaufckin ho you don't know
me
I said I pull up to that club like muthafuckin ho you don't
know me
Started off with a OZ
End up riding fo' deep
Started off with a OZ
End up riding fo' deep
Pull up to that club like muthaufckin ho you don't know
me

[Verse 1]

I said I pull up to that club like muthafuckin ho you don't
know me
Most of my niggas got gold teeth
Most of my bitches got tattoos
Most of my niggas think cash rules
And I mess up hair dos like it's a pair of shoes
And I need a parachute when I'm up there
I'm in the trap cuz I work there

[Hook]

When the shades of night are falling
Comes a fellow everyone knows
It's the old dope peddler spreading joy wherever he
goes

[Verse 2]

See what these bitches looking like
Stick in all crooked like
Louie V is my kyrptanite
Take your bitch and I give her back
Give her this and I give her that
Fine wine and lobster tail

Candle light and Kristette Michelle
Look at the pussy and play kiss and tell
Fix her hair then fix her nails
Even pay a few bills
Way I'm running shit man I should have a shoe deal
And my whole crew ill
Pockets on fat burger
Going so hard you'd think I mixed a Viagra with a Soda
Staying focused...this yola here(?)
Black and white ice; polar bear
You hold her hand and I hold her hair
I pull her close and put it there

[Hook]

When the shades of night are falling
Comes a fellow everyone knows
It's the old dope peddler spreading joy wherever he
goes
