[Intro: The-Dream]

Baby let's roll away

Get lost in the day

I love that you love what you do

And just like any girl, baby I'll love you the same

I know you gotta go, the DJ is calling you to the stage

Go ahead baby, do your thing

[Hook: The-Dream]

Honey complexion

Body of a goddess

22s on the Lexus, named Alexis

By the way of Texas

Big face Rolexes

While she's undressing, man I'm stressing

She's extremely blessed

Extremely blessed

[Verse 1: 2 Chainz]

Give us this day our daily bread

If you a chicken head, go somewhere and lay some
eggs

I make you, make your bed, take that head

Got a move that will break your leg, know what I'm
talking about

Known to kill pussy, nigga chalk it out

Our first date was the Waffle House

Different day, different escapades

If they don't like it they opinions like Escalade's

Everybody got one

[Hook]

[Verse 2: 2 Chainz]

Yeahh

She slow grinded the whole time

I told her have a seat, you sitting on a gold mine

Big ass, long hair, thick thighs

Eat Lobster tail like French Fries

I'm the type to buy you a car for the fifth time

This skinny nigga doing big time

Oh wait, dinner dates I demonstrate how to penetrate

If you ain't wit it, then its elimi-date

[Hook]

[Outro: The-Dream]

Baby let's roll away

Get lost in this day
Say it's okay
Come to me
Extremely blessed
