

2 Chainz "Flossin"

Visit "[Flossin](#)" on MotoLyrics.com

(Hook x2)

I came in a porche
I came in a floss
I got a phone full of dimes
I don't know which one to call oh
I just know I wanna floss
I don't know if I should cheat
'Cause I love my nina rose yeah

(Verse)

I got a thing for my nina
And some things we did between 'em
Them niggers acting dirty
We gon' take 'em to the cleaners
In a beamer with Sabrina
A daddy got the refill baby
Daddy in the chain game
He got it out in december
It's a cold world fast brakes, no words
Even when I rap I have to spit cold words
Making niggers see my view Whoopi Goldberg
How could I get caught over if I had a chauffeur, over
Treat the backseat like a couch
Treat these other niggers like trop realla man
Throw 'em out realest here
Rep the south know the ends
And the out being like I got 3oh 3 at my house

(Hook x2)

I came in a porche
I came in a floss
I got a phone full of dimes
I don't know which one to call oh
I just know I wanna floss
I don't know if I should cheat
'Cause I love my nina rose yeah

(Verse)

I'm in love with the bitch we clicking like a lighter
Take her everywhere I go because I'm not trying to bite
you
Every touch a pop off you make a nigga like it shorty

Here's a show off you don't want to see the hive
But I can make the car squat I jam my niece with
diapers
I'm shittin' er'where like a dog who got real
I scroll through my phone call my girl from Tanzania
And yeah I got the porsche she said I'm on 'em and it's
me
You niggers park back like you play the sellafield
I'm hungry I got a taste for a different meal
I pulled up in that 4 door, oh no
Keep an eye on 'em Tony Romo
Pass the remote I'm on I'm 'bout to turn it on
I saw you on something different than what I'm burning
on
I was on the corner when I first perform
With my hands in the air and told all the cars
Come on

(Hook)

I came in a porche
I came in a floss
I got a phone full of dimes
I don't know which one to call oh
I just know I wanna floss
I don't know if I should cheat
'Cause I love my nina rose yeah
