[2 Chainz: Verse 1]

(Yea, Yeea, Ok)

When I woke up this morning, all I could think about
was you (you) .

'Cuz when I went to sleep last night, all i could think
about was you (you, you, you).

Adam and Eve don't eat that fruit. Best believe imma
eat that boo.

'Cuz i'm the n-gg-, that told them n-gg-s, that told them
n-gg-s 'bout you (you, you, you).

Chunk the deuce while i'm riding through. Titty Boi, I
might sign a boob.

You n-gg- hatin', tell ya' n-gg- that's hatin', that if he
gettin' some paper I might sign him too.(Ow)

Best believe i'm just slidin' through. Pull ya' panties to
the side let me slide through.

I can see you n-gg-s from the side view. I'm in an out
the p-ssy. . .drive through!

White Coupe with the White rims I like to crack the top
and let the light in.

You know she dark skin. Her friend light skin. Put us
together, and it's Ice Cream.

Sandwich it, she can't manage it. I know her man is
sick. She can't handle it.

She need some time alone. I told her "call my phone"
an when she called
my phone, I didn't answer it.

[Chorus:]

K.O (K.O)

K.O (K.O)

K.O (K.O)

K.O (K.O)

And we gone smoke 'til you n-gg-s can't smoke no mo'

Roll 'til you b-tch-s can't roll no mo'

K.O (K.O)

K.O (K.O)

K.O (Knock it out)

K.O (Knock it out)

And we gone roll 'til you n-gg-s can't roll no mo'

Blow 'til you b-tch-s can't blow no mo'

K.O (K.O)

K.O (Let me get it)

K.O (Let me hit it)
K.O (Knock it out)
And we gone smoke 'til you n-gg-s can't smoke no mo'
Roll 'til you b-tch-s can't roll no mo'
K.O (K.O)
K.O (Knock it out)
K.O (Let me hit it)
K.O (Let me hit it)
And we gone throw 'til you n-gg-s can't throw no mo'
(yea)
Blow 'til you b-tch-s can't blow no mo' (okay)
