[Intro]

[Typical yet necessary DJ Drama discourse]

[Hook]

I like to take it one day at a time  
I like to take it one, ooh  
Yea, I like to take it one day at a time  
I like to take it one

[Verse 1]

2 Chainz:

Broken home, tell me what the f-ck is wrong  
Now I gotta charge a brick for a song  
Trap guy, turned into a rap guy  
No suit on but I still got trap ties  
Argyles, pastels and some neckties  
Shawty on the pill, X-file  
40 hit 'em, leave 'em wet, baptised  
And you know I'm a sucker for long hair and wet thighs  
Mama see the baby, this is karmasutra  
I got a present for you boo you looking at the future  
As far as the past, nevermind that  
I don't know who's finer, you or this wine glass  
And you must rewind that if you don't get it  
Got a taste of the good life and tracks is what I'm eatin  
My chromosomes read Georgia Dome  
Icy watch, I don't mind spending time alone

[Hook]

[Verse 2]

Jadakiss:

Yo, get the clip out of the ashtray, put it in the air  
Grab my cellphone, call my engineer  
Yea, last night I was on one  
Quick carwash, then I make a mall run  
I'm a different brother  
Louie store spending chips on some kicks I already got,  
different color

40 cally chrome, on deck  
Gotta meet with my connect later on down in  
mallycomb  
All the Kush gone, gotta collect  
On this mean five team parlay that a bush gone  
Weed man coming with a half a zip  
30 minutes in the trap is a half a brick  
Always hustle to get it  
I never ask for shit  
If it's family or money I might have to flip  
I'mma say it if it's on my mind  
I like to take it one day at a time

[Hook]

[Verse 3]

2 Chainz:  
Never on the guest list  
Always unexpected  
In so many checks  
I should make a checklist  
Looking at these emcees' like they should make a  
deathwish  
Got my girl in the kitchen, cooking ambidextrious  
Left wrist, right wrist  
Whip that, white bitch  
This is a lifestyle, I didn't have to right this  
Look at my hue blow, watch how the light hit  
Look at my new ho, watch how the light hit  
I done did the dollars up, die n-gga  
Too dehydrated to cry n-gga  
I was struggling, had a time limit  
I wish this Aquafina bottle had wine in it  
I wish that pussy had a sign in it  
That said, "want it, if you hit it then you mine n-gga"  
Damn, that crazy bitch on that crazy shit  
If you don't make money it don't make sense
