Scared money don't make o money
Scared money don't make o money
Scared money don't make o money
if I ever go broke, I'ma take your money
I'm on my north side feeling shit
South side furious, that boy and he's back
And that boy is furious
Them chicks give me head on they periods
Make them run three somes, cause they are a little
furious
Scared money, they don't make enough
You wanna go to war, you don't make enough
Have my niggas in your crib when you waking up
You know what this is right? Give me errything
They don't want that type of beef so they wanna
squash it
Know nore's a shooter, I don't miss my target
And fuck it I'm a rider
Magnums strapped tight so I'm busting all the sider
Nobody dies a virgin, life fucks us all
I was born poor, but was raised to ball
I'm a grown man, pay my own bills
Great , money, I pay my own thrills
Scared money don't make o money
Scared money don't make o money
Scared money don't make o money
if I ever go broke, I'ma take your money X 2
If I ever go broke, ,
If ,was a theft I'd be outside the liquor store
, and everybody know that I'm dead fresh, funeral

I came up from a 10 speed to 10 chain
Switch lane, change gears, get brain
I jumped out before the ship sank
Everybody looking at me like a fish tank
Word, I backed out in my glass house
I walked in with the choppa and they ran out
Now, I take your girl to my man spot
Ain't no games but I'm playing with my X-box
Scared money don't make o money
Scared money don't make o money
Scared money don't make o money

if I ever go broke, I'ma take your money X 2
I get that duffle bag crack money
Always got the mac on me
If you got a problem then you can't get that homey
When it's ,without fronting got niggas killed
Knowing they couldn't afford it
Yeah, my fortune's called, my connect just got
deported
My cocaine ain't get imported
My money inside important
Squeeze 23 piece on Ferrari, bet I score like Michael
Jordan
,you trying to stop me,
Yeah my gun be talking loud and I can't turn that down
But the money I'm getting out, they make a choir the
sound
Fuck around I let them sing like the choir's around
Scared money don't make o money
Scared money don't make o money
Scared money don't make o money
if I ever go broke, I'ma take your money X 2
