[2 chainz:]

Bays walls would bring floors  
our white cars full of red ..  
..I'm bout to take the trash out  
MC's is wet couldn't last the last drop  
walk in the spot you have some  
no tittie boy often till they pass out  
and cash out, hell will kill em  
do you know how many tracks I've been snacked up  
wow Kim Wassabi she look like turagi  
she make me say oh lord like it was Sunday  
our house for rent with no chat  
and my mind I'm thinking we don't fall another trial  
put the burkle up with the night vision  
I got the MBA swag for the white kids  
or white furs he's in ..had to leave the hope..  
that's that money and I expect to ..serve  
I'm bout to sleep down the..and the curve  
and take the good ..on a purse yeah  
and that she got the money back  
if she don't do what I like I want my money abck  
in a..she can't sleep on a .take it out dinner  
so I can get my E on, we on doing this in street  
..like I got the skees on  
flyin issue on the..like a P John

Hook:

Supa fly  
he so supa dupa supa fly  
he so fly, fly  
he so supa dupa supa fly  
you nasty nasty nasty boy  
you nasty nasty nasty boy  
give it, give it to me,  
give it to em, to me  
oh you nasty boy  
you nasty nasty boy  
you nasty nasty boy  
give it, give it to me,  
give it, give it to me, to me

They wanna know what it feel like

'cause they know my raps is real life  
nasty nasty..might be twice  
met her once I was just being polite  
so the hospitality is the dog in me  
it's a doggie doggie word you might need a lead  
roof say ..int hat different day  
when you was doing .. I was flipping yey  
I'm fresher than you've ever been  
or promet the zen that's my medicine  
2 girls and the door nigga let em in  
let em win this is strip poka  
missing up the dry wall and I'm on the sofa  
how you gonna win em all with the pistol  
and you already know what we smoking  
but shy then reload then taking ..

[Hook:]  
you know I'm like the rest  
you do something for me baby  
I love you  
you know like a ..  
go get me something to eat  
..  
I love you baby  
I respect you, you respect em  
and we cool like that, like that  
oh you nasty boy  
love
