Black Diamonds Are Part-Time  
Bread-up and my top-down  
On the block with a glock out

dope enough to go in yo nostrils  
I Take yo girl and Kidnap Her  
Feed her to my mattress  
let go tend in my closet  
its probably dead ass rappers

dont try me ill pull that fire  
got your carnote in my cup  
and yo rent in my swisher

game so visous  
and all i get is cheese like im taking pictures

[Drake \*Hook\*]

I say fuck ya unless im with ya  
if i take you outta the picture  
i know real niggas gon miss ya

real niggas say tru yeen never told no [2]

[Drake Verse]

Two chains and champange  
You want true thats tru enough

Forbes list like every year  
My Office is my tour bus  
she came thru she brought food  
she got fucked she know wassup  
she think im the realest out  
i say damn that makes two of us  
ohh that look like whats-her-name  
chances are it is whats-her-name  
chances are if she was actin up then i fucked her once  
and never fucked again  
she can have a grammmy  
ill still treat her ass like a nominee  
Just need to know what that pussy like  
so one time is fine with me  
young as an intern  
but money like i built the shit  
streets talkin that confirm  
got ask them who just cut the shit  
stay keepin my cup full  
so im extra charge like a state tax  
me and chainz go way back  
we dont talk the talk we just say facts  
Yes Lord

[Hook]

[2 chainz second verse]

Name a nigga that want some

put his ass in a plastic bag with his trasy ass  
take'em out

Tupac without a nose ring  
thug life one wife, a mistress, and a girlfriend  
I did what they said i wouldnt

Martin sell belt buclkes
