Last night it was Kush and Ciroc: I was super geeked
Cash flowing, money flowing, yeah that's a super week
Got em for the 26 5, now that's super-cheap
Can't you niggas tell? I'm just looking for a super-freak
Super-freak, super-freak, yeah you know I want a
Super-freak, super-freak, yeah you know I need a
Super-freak, super-freak, yeah you know I want a
Super-freak, super-freak, yeah you know I need a
[Verse 1: Young Jeezy]

What it do? What it is? What you working with?
Every time you see me on grind: stay on that working
shit

All I ever want's a bad bitch in a Chanel bag
Sweet niggas want her cause they know she got Chanel
swag

Straight like that, yea I fuck with her the long way
Been bragging to my partners: I been talking about her
all day

Pull up in that Super-coupe: you know them diamonds
glistening

Too much money in the room, guess I hit her in the
kitchen then

Get her to myself man, I ain't hit that girl yet
Now that I got her to myself man, you know I'm tryna
get that girl wet

Keep it one thousand with you: I really think I'm diggin'
her

Can't hear nothing but the money so she might just
think I'm big enough

[Hook]

[Verse 2: 2 Chainz]

Rick James, super freak

She got that wet-wet: now that's a superleak
Tell your baby daddy that he's super weak
fucked your girl last night: it only took a week

2 Chainz chump! Cost 100 stacks

10,000 with my shirt off that's 100 tax

OK I'm done with that, you can run with that, I'ma switch
it up

This bitch I'm with is thick as fuck, I'm rich as fuck
Laying in the bed and I still got my semi tucked

Going online like "when they gonna make that Bentley

truck??"

My bankroll make em pay attention

The white girl like it when I whip it, whip it

[Hook]

[Verse 3: Young Jeezy]

She with me if I'm wrong or I'm right, yea she my type

Baby girl go and get the bread, she know what I like

Meet her at my low-key apartment, never at the house

Every time we got pulled over, never ran her mouth

fuck with real niggas, get money baby, on the chain

Long as baby stay getting money, how can I complain?

Favorite girl, guess she got the skills just to pay the

bills

Last n###a she was fuckin' with was worth a couple

mil

Even when she going for the low, says she's not a ho

Yeah you know that thing is super-wet: call it sloppy joe

Said she like it when I whip it fast then I whip it slow

Even though she got a lot of names, I just call her

"blow"
