Yeah Roll another one cause I'm random
And my four door looking really photogenic
Jam 'em on the tire
Interesting won't expire
I'm in the class up and all my teacher got fired
Money getting long pussy ray keep rising
Versace outfit cost me 3.000
From the paint houses
Did it from the weak hours
Selling that chicken no lemon pepper, no sweat and
sour
For she get the power then you get respect
I'm getting so much money I can buy you bitch
Take it how you wanna, if you wanna take it
I like clubs where all the women working naked
Feel in love with the wrenches what the fuck I'm
thinking
Bought that hoe a ring it was for her pinky
Ah, that's pimpin' that's slick
Got her daughter a cologne cost more than your rental
Skateboard on a nigga track
No lie, no lie, already got it black
Mama got a house, daughter got a counse
Just to think a nigga like me started with an ounce
Bad bitches and deep boys would bring 'em out
Hit them niggers pussy, we tush 'em
We clean 'em out
This the voice of ghetto intelligence
If you got work go to work don't work at your residence
