[Verse 1]

They say I run the streets  
I tell 'em no wonder  
The cheapest thang I got on is my belt and it's 400  
Real recognize real and you don't look familiar  
If my girl worked at a spa, man she still wouldn't feel ya  
Cocaine flow, they done dropped me in the pot  
I came out hard and I sold out the block  
Tity 2 Chainz, I been killin' hairdos  
So many dates on my calendar it looks tattooed  
Got my mind on my moolah  
My Tech 9 got a cooler  
They scratching they medullah  
They like how the f\*ck you do ya  
Don't make me number 2 ya  
Okay, I need some Charmin  
I got swag for sale and I'm giving n\*ggas bargains  
Rappers are my target  
My flow so retarded  
Need a handicap sticker for my 16s when I park 'em  
When she in the front I make her put in reverse  
And if that pussy good then I'll put it in a verse  
And I'm killing these n\*ggas, put 'em in the dirt  
And yeah, I'm killing pussy we should do it in a hearse  
I woke up this morning, said I'ma get it  
Turned right over and I gave that b\*tch the business  
Hopped out the king size  
My friends are green guys  
Suit on, it look like I done sold bean pies  
Qui-qui-quiet storm  
I flick my lighter on  
2 blunts together like an extension cord

[Hook (x2)]

Oh yeah we gettin' to the money (Understatement)  
I know you heard my trap bunkin' (Understatement)  
All my b\*tches bad (That's a understatement)  
My car is going really fast (That's a understatement)

[Verse 2]

You need a standing ovation  
If you stand in my location

Every n\*gga round here done been shot or on  
probation  
It's the life we chose, guns and hoes  
Guns and roses, n\*ggas know that rock don't roll  
Grab the spray, drop the phone, cop the O  
N\*ggas know my flow is Mop 'N Glo  
You know where I be on  
I be on the styrofoam  
Chicka-Chi 1, 2 like it was a microphone  
Your girl's like a drive thru, I want a combo  
And she's so wet I need a towel, pronto  
2 Chainz, A.K.A. condo  
Cause that's how much these chains cost if you don't  
know

[Hook (x2)]

Oh yeah we gettin' to the money (Understatement)  
I know you heard my trap bunkin' (Understatement)  
All my b\*tches bad (That's a understatement)  
My car is going really fast (That's a understatement)
