[Verse 1:]

Five minute beats, one take raps
No fool story of my gunplay stats
Drugs sit beside me, blunts stay fat
Hand-craft the music, rhymes stay acoustic
[?] on my mind all the time, roll the lime
Fuck rap I was class with my bus pass
Early nineties Tom Selleck with the moustache
You're eyes are blind to the diamond in the rough
Needle in the hay, charismatic character, far from
amateur
Spider senses so I'm scanning the parameters
Straight from scrubs so my uncle is a janitor
Love my Mother, hate a motherfucker, hate a piece o'
shit, hate a cocksucker
Stand beside me motherfucker you're my brother
Came from different pussies but we share the same
supper

[Hook:]

Five minute beats, one take raps
No fool story of my gunplay stats
Drugs sit beside me, blunts stay fat
Blunts stay fat, blunts stay fat

[Verse 2:]

West Palm Beach betting on a dog race
Bitch with me big titties and a small waist
Pistol noise, tippin' in a [?]
Kick shit young Ruud Van Nistelrooy
Eating brisket, chilling at the brisk
Knuckles like I punch walls metal in the fist
Smoking seven kinds of pepper and shit
Veteran shit, give Melissa Etheridge a dick
Stroke pussy like a cat lover
My kids are mixed that means they got a black Mother
And their Father's a G
Strictly [?] on the tee, the shirt straight from '93,
man with the ski
Peace to low-life Brooklyn, smart crew Queens
Sharp tooth fiends selling sharp shoe sheens

[?] boat shit, pockets in the front
Waist 33, eye sizes like a mushroom

[Hook:]
Five minute beats, one take raps
No fool story of my gunplay stats
Drugs sit beside me, blunts stay fat
Blunts stay fat, blunts stay fat
Kid, Queens shit, Blue Chips Shit
