Chorus:

Smoke some, bitch!
Blow a kiss with my dick,
Wash my body with the sponge
Feed me flavor rice, but they're... to get my lungs
Telling me you let the... or some.. shit
Black... we're both about to be rich!

Lead a party with your daughter
In the morning do karate in the water
He sounds... don't fuck with...
A bunch of winners, catering lunch and dinner
While my ... looks so empty
Drop a hook, and I'll probably... an entry
Long nights, that's a new event
Somebody tried to send me to Heaven, they'll be sent
Oh, off the... caviar... your taste!
All the beans are getting...
Authentic nights, I skate across the lake
With the CCM tags, my feet are like...

Chorus:

Blow a kiss with my dick,
Wash my body with the sponge
Feed me flavor rice, but they're... to get my lungs
Telling me you let the... or some.. shit
Black... we're both about to be rich!

Yeah, with eighty thousand shopping mall
But we ain't brought some popping hood
..hoping that my days won't be dark and...
..a propaganda for ...
They're going with... pulling up those...
They cause a storm in sunny weather
Sunny weather is sunny weather
Hoping that my days get hoping, hoping days get
better!
