[Intro]

Bam Bam, Bronsolino  
Closed Sessions  
Queens shit, Chicago

[Verse 1: Action Bronson]

Bitches kissing me the French way, now suck my son's  
dick  
He only four, when he twenty he gon' run shit  
Suede suit, waves spinning 'cause he half black  
But for now he need his blanky for his nap nap  
Snapback, Knicks starter hat, ninety four  
Signed by Mase, Queens domination  
Green tea's got my eyes kind of Asian  
Like the bitches Dante Ross be tying in his basement

Hold the fuck up man  
(yo, nah, nah, we can't even do it like this man)  
Yo we gotta give it to 'em the right motherfucking way  
man  
(here we go)  
You didn't come all this way for nothing right?

[Verse 2: Action Bronson]

You either got it or you don't, the ratings say I'm  
through the roof  
Leather gloves grip the wood wheel  
Have my shorty make a good meal, smoking cabbages  
Rocking fabrics, sport the big beard like I'm Arabic  
Uh, motherfuckers see the Halibut  
And put some lemon on the side to clean my palate  
with  
Summer radishes, chicken down at Gladys'  
Down at Black Berg with hoodies and some Balances  
Running and gunning, I'm Randall Cuning, my skin is  
stunning  
Butt like an onion, she order lobster I'm hitting  
something  
Mouth or butt, maybe pussy, smoking cookie  
Girl scouts that ain't never went the church route  
Plain lands, Chicago be the destination  
Five courses, gorgeous on the presentation

Roam the streets where Capone was at the throne  
I write these lyrics with the music from my phone  
I'm a young Mike Singletary, style shitty like a  
dingleberry  
Push the bent like I'm Richard Dent  
Steve or Michael, Paxson with the 3  
You know my jacket flashing fashion pass the D

Damn man, I'm out of fucking breath  
(yeah man)  
You gotta give me another second because uh  
(I'm a fat fuck man)  
Honestly I'm a overeater and I'm not even allowed to  
eat  
(I'm a little bit heavy and overweight)  
Just give me one second  
(y'all don't even know I'm starved, I'm starved)  
Alright, I-I'm in, I'm in

[Outro]  
Fila cree three quarter dipping over your Greek  
daughter  
Pussy tasting like Kadaif, honey mixture with the  
sweetwater  
Sweet water  
Yo  
Queens shit man  
I love you  
Goodbye
