[Hook x2: Action Bronson & Big Twin]

Grimy cats, keep 'em out of my peripheral  
Caught you snitchin' too, dog I'm liftin' you  
Off your feet like my daughter at the park  
Don't cross the border cause it's slaughter after dark

[Verse 1: Action Bronson]

My life is inches from death, smoke a spliff on the  
step  
When my shorty see the cop the drugs she boof in a  
sec  
Ain't no games played this real life, we struggle and  
fight  
Early morning with the money, we don't hustle at night  
Aim my arm out the window, then I rock you to bed  
One shot will knock the carpet off the top of your head  
Catch the shark, skin the shark, hang the shark in the  
shed  
Everything that got the marvelous spread, you feel me  
Dabble in truffles, Sauvignon Blancs, and murder  
mussels  
Nothing ever ripped from my neck during a tussle  
I'm Bolo Yeung, I'm Lecter with the muzzle  
Injector of the deck of placin' sectors in the puzzle  
Roses growin' from the cracks in the concrete  
Palm Beach, palm trees shining like diamantes  
Well step aside because you're playin' yourself  
I'm gettin' money while you stay on the shelf, just  
like a statuette

[Verse 2: Sean Price]
