[Action Bronson:]

Been on the honor roll sculptures of my body out in
Nagano
My shawty features like Madonna, Low designer
Bending these young lola fellana's over ace la tesse
Baste the breast with the juices
Under the influence of fly shit, I glide like ovechkin
Disqus hoody, Puff hibiscus, balance be the crispest
Baby girl your wylin if you sniff this
You gotta take a piss test, piss right through your
fishnets
Robbin moses state park lamm in the sand, blam blam
When piggie tried to put my fam in the can
Strictly coppin golds, until we laid in the Galapagos
Eating tacos, higher than a opera note
We never ride civcs, the mob blonde scripted lyrics
It's like a avant garde to the critics
I throw you in the armbar with the quickness
Either you with me or bitch you in the shit list

[Roc Marciano:]

Bitch please picture me in Sicily
The hard bottoms gettin slippery
I just had an epihany
And now I'm shittin on your whole steez ridiculously
45. fire at ya, attire, to break your armor up like
fine china
Fly designer hoes diggin for gold like a 49er
I hit the diner to carolina
Pass the lighter to the passanger in the spyder
Vagina splash like apple cider
So fuck your little 2 cents blue benz bitches jump like
Harold Miner
I'm in the recliner, trace like eye liner
And I escape like mcgiver
Bank robbers, bank 38's to taste cobbler
And lay up with a case of vodka
Get cake and prosper ate steak and lobster the frank
sinatra
Egg you out leave your face some pasta
Get laced and dip the chicks in the grey boxter

Bitch foxy 88 clogs
Ladies identify gangsters posture
I'm feeling like jay hoffa
Fuck ya'll, eat a fat dick with the monster
