We've been the best since I stepped in  
Bring a hooker to the muthafuckin Jets Inn  
In the sack, break her back like a Redskin  
Need the dough like I'm trying to get the bread thin  
Tree to make the head spin  
Every season play the corner like I'm Revis  
Light Caesar, heavy bearded like I'm Jesus  
New York City, Queens burrough be the backdrop  
I bring it back to all the benches, need a blacktop  
Big things, see me moving like a Sasquatch  
Money, I'm in pursuit. Cuchillo inside the booth  
Bitches are on display, give brain  
Inside the coupe. Shift gears, that's with the left  
Which means I'm on the right, get paid  
By any means, you hold it, say goodnight  
2 fingers hold the potion when I'm smoking  
Slow motion, snatch a snapper out the ocean  
In my lungs go the drugs like the red chief  
Red leaf lettuce blood money on the bench seat  
12 courses laid up on the long table  
Aged wine  
got me spinning like a dreidel  
For fly women use a condom cause it's fatal  
Hazel eyed bitched always blazing up the basil  
The red razor cut the features in your facial  
Creeping Corona  
puffing in the? loner  
Puffing cheeba in the street by the  
? corner  
Tu ne tappa me  
, muthafuckas are sloppy  
Captain of the rap, you talking to papi  
Up in Niagara Falls,  
make your wifey suck a  
it's sick, just like a Magic cough  
Same person on camera or when the muthafuckin  
Camera off.  
Hash straight from the desert  
can knock  
A camel off  
. Sheep straight out of school  
Let the hammers off. Off the boat shit

Whole cliques roll thick, no shit  
Piss drunk and they smoke sticks  
Not a word of English but  
4/5ths  
FILA jumpsuit, sandals, the whole shit  
Young kids walking around the Desi in hand  
Going "Boom Shakalaka!" like it's NBA Jam  
Never speak to fuzz  
Tap out the reefer, show him how  
To use his sneakers, cuz  
Roasted peppers, sweet tomatoes, heirloom  
We on the beach, resting?  
We in Cancun. Fly girly curly  
Hair is getting read through  
We in the shower give me head: shampoo  
Swimming trunk, shoe accentuate the ankle  
Eyes blue, put the? money in the bank though  
Giuseppe Franco  
, take the cash and tango  
I'm straight stoned -sly, thank you  
Bye, peace, one, fuck you
