A dream is a wish your heart makes
When you're fast asleep
In dreams you will loose your heartache
Whatever you wish for you keep
Have faith in your dreams and someday
Your rainbow will come smiling through
No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true

A dream is a wish your heart makes
When you're feeling small
Alone in the night you whisper
Thinking no-one can hear you at all
You wake with the morning sunlight
To find fortune that is smiling on you
Don't let your heart be filled with sorrow
For all you know tomorrow
The dream that you wish will come true

A dream is a wish your heart makes (x2)

You wake with the morning sunlight
To find fortune that is smiling on you
Don't let your heart be filled with sorrow
For all you know tomorrow
The dream that you wish will come true

No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true
