I messed around with your silly mind  
I poked around in your knee deep philosophy  
So i made your mama cum, and i stole your shoes  
I ate your porridge kid, i ate your porridge

What do you mean, pride  
What do you mean, hide?  
Neither you nor i can die (unless we want!)

Whiskey dick in a shanty town  
Beaver snake in my Snord Gruebens underwear  
Polio kids for me!  
Yer talkin crap Merrick, yer talkin crap MERRICK!  
How you like me now?  
Neither you nor i can die (unless we want)
