I fall in love  
Way too fast  
At least I'm in a better place

I fall in love  
Way too fast  
I don't know what else to say

You know  
Oh you're so damn cold  
Soon you'll be all by yourself

And you know  
Oh you're so damn cold  
Soon you'll be all by yourself

I trust in you  
Way too fast  
Didn't think you'd do me like that

I put my trust in you  
Way too fast  
You didn't even say goodbye

But you know  
Oh, you're so damn cold  
Soon you'll be all by yourself

You know  
Oh, you're so damn cold  
Soon you'll be all by yourself

Yourself...
