By the blood of Jesus Christ, I can answer and
By His blood and sacrifice, I am whole again
All the pieces I have torn apart, are scattered all
around
There is not a trace, You took it all away.

I've been washed, I've been cleansed, I have been
made free.
I've been bought by the blood, my King has bled for
me.
The sweetest victory won at Calvary,
Where Your love, all Your love washed over me.

When the stains that shame my life, weigh me down
again.
Only You can purify restoring hope within.
Every moment that I feel so far away, You're not far
from me.
There is no escape from the shelter of Your name.

I've been washed, I've been cleansed, I have been
made free.
I've been bought by the blood, my King has bled for
me.
The sweetest victory won at Calvary,
Where Your love, all Your love washed over me.

Let it rain, let it rain.
Let it overtake me.
Let your love flood my heart.
I'm finally waking.
I will never be the same as long as I remember.

I've been washed, I've been cleansed, I have been
made free.
I've been bought by the blood, my King has bled for
me.
The sweetest victory won at Calvary,
Where Your love, all Your love washed over me.
(All Your love washed over me)

I've been washed, I've been cleansed, I have been

made free.

I've been bought by the blood, my King has bled for
me.

The sweetest victory won at Calvary,
Where Your love, yes Your love made me free
Yeah, where Your love, all Your love washed over me
Washed over me
