Love is magic
You can have it
Reach into the air and grab it

Love is magic...
Empty hat
Pulled out a rabbit

You know it's written
In the stars
Go ahead and pick a card

I've learned the trick
I've done the math
I'm gonna saw myself in half

I need you to believe
I have nothing up my sleeve
Even if I disappear
I'll always keep you in my focus
It's true love not hocus pocus

I grant wishes like a genie
Watch me pull a real houdini
I'm gonna put a spell on ya
Abracadabra

Chained hands and feet
Without a key
But I need you right next to me

When things are darkest
At their hardest
I'm a escape artist

I need you to believe
I have nothing up my sleeve
Even if I disappear
When you blink after you're through
You'll find me standing next to you

Mekalekahi mekalekahi mekaleka hiny ho

Mekalekahi mekalekahi mekaleka chiny ho
Mekalekahi mekalekahi mekaleka hiny ho
Mekalekahi mekalekahi mekaleka ho

Love is magic
Can't you see
I think you were made for me
