[Descarte:]

"Gather around me my Children
For one last display of my fist
I'll offer these men-drones my lattermost act
Before the void devours me, before the void devours
me
This is the place where the meek rule the divine
Proven hopelessly wrong, (FOOLS), unworthy of my
Empire"

"Descarte No Heart"

I hear your petty screams
And indeed I don't
Give a damn for you anymore!"

He washed his hands
In Infants' blood
Still they made him Indifferent and Cold
Filth dubbed ignorance Bliss

[Chorus:]

"and so they lived...
They joined the world's hidden rhythm
And became stars..."

[Descarte:]

"Surrender your subconscious, let me guide you by the
hand!
I'll hypnotize all living men"

The will Of ONE In the mind of billions
His Seed for a RADIANT World

He washed his hands
In Infants' blood
Still they made him Indifferent and Cold
Filth dubbed ignorance Bliss

[Chorus:]

"and so they lived...
They joined the world's hidden rhythm

And became..."

His last mighty plan was to hypnotize all beings
The instructions were precise
"Live and let die, obey your fake Gods
Never doubt, never wonder"

This was his utmost punishment
To a humanity that hurt him deep inside
They'd go on living their lives... hypnotized
(hypnotized)

[Descarte:]

"... to bequeath my knowledge to these people but
damn! They're but slaves to their fake lust and they'll
never fathom me"
