Distorted violins kiss dearly my ears  
Kiss dearly my ears

So irrelevant all these melodies

I kneel to carry an eternal why'  
A secret not known even to semigod  
An orchestra played but who was the composer  
The conductor not aware of the composition

Wish I knew the tune of the first violin  
To transcend the disarmony structure  
Of the prison-drop these idiots prevail

Like Oidipous tyrant they fucked their mother  
Their tyranny brings shiver and tremble

You could travel to the stars and my lust  
We could travel beyond Acheron

As long as the plot stays unchanged  
The soundtrack obscure  
And the cast on ecstasy

No whistle of serenity  
Will be heard  
Only distorted violins

Charm me I please you  
Your nocturnal shining  
Towards a horse with an unknown burden  
Notorious and heavy

I kneel to carry an eternal why...
