Girl I just want to hold you
Build my world right around you
Cause girl you give me tightest hold
Iâ€™ve ever felt in my life

Girl I just wanna squeeze you
Build my world right around you
Oh girl you give me the tightest hold
Iâ€™ve ever felt in my life

Dry your eyes I canâ€™t
See I take you anytime anywhere
When youâ€™re scared or full of fear
As a man Iâ€™ll be there

I want a girl who can grow with me
I want a girl who can take care of me
Could you be it, let me see it
Girl could you really be it

Girl I just want to hold you
Build my world right around you
Causeâ€™ girl you give me tightest hold
Iâ€™ve ever felt in my life

Girl I just wanna squeeze you
Build my world right around you
Oh girl you give me the tightest hold
Iâ€™ve ever felt in my life

Life past me by too fast to recall
Never felt this good before
â€™Cause youâ€™re like a drug without Iâ€™m in
withdraw
You always leave me wanting more

Sheâ€™s a fire in my soul
Thatâ€™s, burning out of control
More and more and still I go
Just let this feeling multiply more

Cause I wanna just hold you

Build my world right around you
Cause girl you give me tightest hold
Iâ€™ve ever felt in my life

Girl I just wanna squeeze you
Build my world right around you
Oh girl you give me the tightest hold
Iâ€™ve ever felt in my life
