Take what you need and leave the rest
No, I don't mind, no, I don't mind
I'll get this off my chest
There's nowhere else I'd rather be

Come flying in, and then again
I'm not here long enough to pretend that I seem so well
There's nowhere else you'd rather be

Like a humming bird in flight you are
Hovering, hovering 'round me
And I move near you fly away
Like a humming bird in flight you are
Hovering, hovering near me
As I move near you fly away
Don't fly away
Don't fly away
Don't fly away

What can I say? You have to wait
I find it hard to say and to articulate
I know there's nowhere else you'd rather be
It seems so clear, I know we're through
Yet all I wanna do is make love to you
I know there's nowhere else you'd rather be

Like a humming bird in flight you are
Hovering, hovering near me
As I move near you fly away
Like a humming bird in flight you are
Hovering, hovering near me
As I move near you fly away
Don't fly away
Don't fly away
Don't fly away
Don't fly away
Don't fly away

Buzzing around my head, things you have done
The words you have said, remain with me after you left
I try but I can't forget

Like a humming bird in flight you are
Hovering, hovering 'round me
As I move near you fly away
Like a humming bird in flight you are
Hovering, hovering 'round me
As I move near you fly away
Don't fly away
Don't fly away
Don't fly away
Don't fly away
Don't fly away
