(Hassman/Leonard)

Baby, look around
See that I'm nowhere to be found
You wanna feel me near
Then close your eyes, and I'll appear

Dream over me with a tear
Anything it takes to wish me here
Oh, magic and sweet lullabies
Any lucky penny will do fine
Oh, to wish me here

You're arms are open wide
Waiting for me to run inside
I'll meet you in the clouds
Please use your power to bring Heaven down. . . and

Dream over me with a tear
Anything it takes to wish me here
Oh, magic and sweet lullabies
Any lucky penny will do fine
Oh, to wish me here

BRIDGE

And when we're face to face
The world just fades away
So take me to that place
Where it's just you and I
Every single night. . .

Dream over me with a tear
Anything it takes to wish me here
Oh, magic and sweet lullabies
Any lucky penny will do fine
Oh, to wish me here

Dream over me with a tear
Anything it takes to wish me here
Oh, magic and sweet lullabies
Any lucky penny will do fine

Oh, to wish me here

. . . you wish me here, you wish me here.

. . . oh, you wish me here.
