Baby, now that I've found you
I won't let you go
I'll build my world around you
I need you so, baby even though
You don't need me now.

Baby, now that I've found you
I won't let you go
I'll build my world around you
I need you so, baby even though
You don't need me
You don't need me. no, no (mmm)

Baby, baby, when first we met
I knew in this heart of mine
That you were someone I couldn't forget
I sit and bide my time.

Spent my life looking for that somebody
To make me feel like a fool
Now you tell me that you wanna leave me
But darling, I just can't let you.

--- Instrumental guitar and fiddle ---

Baby, baby, when first we met
I knew in this heart of mine
That you were someone I couldn't forget
I sit and bide my time.

(Now that I've found you)
I build my world around you
I need you so baby
Even though you don't need me now.

Baby, now that I've found you
I won't let you go
I build my world around you
I need you so, baby, even though
You don't need me,
You don't need me, no, no. (mmm mmm mmm...)
