I feel something stirring  
Could it be that I'm alive?  
It's been so long since I've felt  
Emotion rise

Exposing emptiness  
Can be a painless paradise  
An open canvas waiting  
For someone to come inside

Oh, heaven knows all the lonely ones  
All the ones that walk away from love  
Oh, and I hope that I can learn again to trust  
There is nothing that love can't overcome

Painting pictures of me  
As I'm chasing the wind  
Searching to fill my soul  
With what I'll have to chase again

I grow tired of running  
Oh, I need a place to stay  
So paint me a kind of love  
That I can't push away

Oh, heaven knows all the lonely ones  
All the ones that walk away from love  
Oh, and I hope that I can learn again to trust  
There is nothing that love can't overcome

### INSTRUMENTAL BRIDGE

Oh, heaven knows all the lonely ones  
All the ones that walk away from love  
Oh, and I hope that I can learn again to trust  
There is nothing that love can't overcome

Oh, heaven knows, He knows all the lonely ones  
All the ones that walk away from love  
Oh, and I hope that I can learn again to trust  
There is nothing that love can't overcome
